

CLASSROOM OBSERVATION

Impact Evaluation of Science Education Initiative's Fellowship Program
Abdul Latif Jameel Poverty Action Lab (J-PAL) South Asia

I. GENERAL INFORMATION

[Arrive at least 10 minutes before the class is scheduled to begin. Complete this section before you enter the class.]

1. Surveyor name:
 - a. _____
2. Surveyor ID:
 - a. _____
3. Zone:
 - a. _____
4. School ID:
 - a. _____
5. Re-enter school ID:
 - a. _____
6. Is this an SEI classroom? *[Check the sheet provided by your supervisor]*
 - a. Yes
 - b. No
7. What is the class duration (in minutes) as per the school timetable
 - a. 120 minutes (SEI classroom)
 - b. 30 minutes (PMC teacher classroom)
8. What is the class start time as per the school timetable?
 - a. _____ : _____ (hh:mm)

[Enter the classroom. If the teacher(s) is present, introduce yourself and confirm the grade, section, and subject of the class.]

9. Grade *[Check the sheet provided by your supervisor and verify with the teacher]*
 - a. Grade 5
 - b. Grade 6
10. Section *[Check the sheet provided by your supervisor and verify with the teacher]*
 - a. Only one section
 - b. Section A
 - c. Section B
11. Subject *[Check the sheet provided by your supervisor and verify with the teacher]*
 - a. Math
 - b. Science
12. Do you have a copy of the lesson plan?
 - a. Yes
 - b. No

II. INFORMED CONSENT

[If the PMC teacher and/or SEI teacher are present, introduce yourself and then read out the following statement to the teacher(s) and request them for consent to conduct the survey. Secure consent before starting the classroom observation.]

Good morning/afternoon, I am [-----] and I work at the Abdul Latif Jameel Poverty Action Lab (J-PAL) South Asia. We are an independent research organization conducting a study about SEI teachership Program. As part of the study, I would like to observe your class today to learn more about the experiences of teachers and students in this school.

Your participation in this study is completely voluntary and you are free to choose whether to be in it or not. If you choose to be in this study, you may subsequently withdraw from it or ask me to leave at any time without penalty or consequences of any kind. Your decision to participate in our study will not affect your relationship or the school's relationship with SEI.

We plan to evaluate the effectiveness of the SEI program and to understand policies and programs that can improve student learning in science and math. The *Pune Shikshan Mandal* has already granted permission for this research in PMC schools.

If you agree to participate in this study, we would ask to observe your class session today and at a later point in the school year. When observing your class, I will sit in the back of the class and observe silently. I will not engage with the students and I will not disturb the class in any way.

There are no known risks associated with your participation in this research.

Any information that is obtained in connection with this study and that can be identified with you will remain confidential and will be disclosed only with your permission or as required by law. You will not be personally identified in any report or publication. Our reports will simply show the averages from all study participants.

If you have any questions or concerns about the research or wish to report a research-related problem, please contact Mustufa Patel at J-PAL South Asia +91 9892746264. J-PAL's offices are located at AADI, 2 Balbir Saxena Marg, Hauz Khas, New Delhi.

Do you have any questions for me about the research? *[If yes, answer the teacher's questions.]*

I would now like to invite you to participate in this study.

Do you agree to participate in our study?

13. Is there a PMC teacher in the classroom at the start of the class?

- a. Yes
- b. No

14. Did the PMC teacher provide consent?

- a. Yes
- b. No

15. Why did the teacher not let you observe?

- a. _____

16. Is there a SEI teacher in the classroom at the start of the class?

- a. Yes

b. No

17. Did the SEI teacher provide consent?

- a. Yes
- b. No

18. Why did the SEI teacher not let you observe?

a. _____

[If the teacher will not let you observe, return to speak to the principal. If possible, return to observe the class with the principal's assistance. If this is not possible, make a note of the missed observation and report it to your manager.]

III. ATTENDANCE

[After obtaining consent, find a seat at the back of the class. You should be able to clearly see all students and the teacher.]

19. How many boys are present at the start of class?

a. _____

20. How many girls are present at the start of class?

a. _____

IV. SNAPSHOTS

IV.1 SEI Classrooms

[Every 6 minutes, you will be asked questions about what is happening in the classroom. One set of questions will be about SEI teacher. The other set of questions will be about the PMC teacher. Every time you answer a new set of questions, double-check you are referring to the correct teacher.]

Record only what is happening at the instant that the questions begin. This should be a “snapshot” of what is happening – not what took place over the entire 6 minute interval.]

Section A: SEI teacher

21. What subject is being covered right now?

- a. Math
- b. Science
- c. Other, please specify:

22. What is the SEI teacher doing?

- a. Reading out loud
- b. Explanation/lecture
- c. Interactive demonstration
- d. Question and answer/discussion
- e. Practice and drill

 - h. Social interaction
 - i. Student(s) not engaged
 - j. Classroom management
42. For students engaged in this activity _____, what material(s) are they using?
- a. No materials
 - b. Textbooks
 - c. Notebooks / writing material
 - d. Blackboard / whiteboard
 - e. Learning aids
 - f. ICT
 - g. Group activity

V. CLASS END

43. At what time did the class actually end?
_____: ____ (hh:mm)
44. How many boys are present at the end of class?
a. _____
45. How many girls are present at the end of class?
a. _____

VI. CLASSROOM DESCRIPTION

46. Which of the following materials are available in the classroom? *[Select all that apply]*
- a. Blackboard
 - b. Whiteboard
 - c. Chalk/markers
 - d. Textbook for teacher
 - e. Textbooks for students
 - f. SEI question banks
 - g. Laptop
 - h. Digital whiteboard
 - i. LCD projector
 - j. Television
 - k. Science/math equipment
 - l. Maps
 - m. Charts/posters
 - n. Toys/games
 - o. None of the above
47. How many students in the class had a SEI question bank on their desk?
- a. None or almost none
 - b. Less than half
 - c. About half
 - d. More than half
 - e. All or almost all
48. How many students were wearing uniforms?
- a. None or almost none
 - b. Less than half
 - c. About half
 - d. More than half
 - e. All or almost all
